Family man or deranged killer? Itâ€™s for fearless PI Jessie Cole to find out. At any cost.

Ever since a car accident left reporter Ben Morrison with amnesia, heâ€™s been trying to rebuild a future as he puts together the pieces of his past. With the help of PI Jessie Cole, heâ€™s getting closer. But few who remember Benâ€™s troubled childhood want to talk. And those who doâ€”including his father, imprisoned for a shocking crimeâ€”are stirring disturbing memories given up for dead.

Then Jessie is sidetracked by a surveillance request from a suspicious husband. An ordinary case, until the cheating wife and lover are found murdered. They bear the trademark wounds of an elusive serial killer whoâ€™s now leading Jessie down a chilling pathâ€”one thatâ€™s about to put a dangerous twist in the search for Benâ€™s identity.

To discover the truth, Jessie must put more at risk than she ever feared. Because there are more secrets to Benâ€™s past, than sheâ€™or even Benâ€™ever imagined.
